A REFORM WANTED. The Fire Wardens, Their Duty, and How They Perform It. A Pew Suggestions.

Every one knows the purpose for which public officers were thosewheadly appointed. There is a presumption failer in their of the fact in the safety of the community are greatly enhanced.

The community is a present of the community of the c rather speed their time in closeful increases are in not directions.

If his the policeman, disceptability his duties, appends the delikit hours of sight is conversion with some attaken girl. The clock in the Tail Commissioner's office steps his regular work and loops has employers, the tan-payers, waiting, in order that he may have a chair with some party woman who chances to come along. The Free This is pleasant to the one who firts and the

past property and be the greates inus fires with which the citi pe turmented. A certain amoun of necestight would care much

of Things are commended. A comman assembly absorbed in the control of world care meant a writer way of best filling, for which so see it a writer way of best filling, for which so see it in their can be shamed, stone needs all follower waits are made of cutter thinness, chinese absent best of wood, because teach filling, only char : etone-paper are secured in place of wood, and nothing is left undesse to

and side MN.
